

Naphill & Walter's Ash Gazette

Revised Subscription Collection 2020

Because of the lockdown restrictions it was not possible to for our distributors to collect the annual subscriptions as planned in April/May.

This collection has now been rescheduled for collection with the distribution of the September edition of the Naphill & Walter's Ash Gazette, which will be delivered during the last week of August.

Please have your £3 (3x£1 coins please) preferably in an envelope marked with your name, ready for collection.

Thank you,
Sonia
